

MADE PLANS FOR CHRISTMAS?

We have! It's **The Big Give**, a free Christmas lunch for around 300 disadvantaged and isolated Melburnians, to be held on the 25th of December.

Founded in 2003 by a group of individuals from community organisations and the business sector, **The Big Give** has just one Christmas wish – that no Australian should be alone on Christmas Day.

In making this wish come true, we believe we can help the community rediscover the true spirit of Christmas, and re-establish it as a time that unites people from all walks of life.

Bringing business, community groups, the “haves” and “have-nots” together, to share and give as one, is what Christmas should be about. It still can be, through **The Big Give**.

As this event may be relevant to some of your clients, we encourage you to publicise **The Big Give** as widely as possible throughout your organisation.

Tickets are available for welfare agencies only and can be booked at www.thebiggive.com.au

You can also assist by providing transport for those clients who wish to attend, or by ensuring carers are available to accompany clients if required.

This will be **The Big Give's** sixth year. Previous years' events have been a tremendous success and something of which everyone involved was justly proud. With your help, 2009 will be even better!

So please, do whatever you can to help us bring goodwill, good cheer and good company to those who would otherwise be alone on Christmas Day.
